Ice Kats Skate Strong Fund

About the PGHA “Ice Kats Skate Strong Fund”

The cost of living is growing every year, including minor hockey costs. The PGHA wants to help minimize barriers to girls playing hockey. Should financial circumstances become a barrier for a child’s involvement, the PGHA would like to help. The “Ice Kats Skate Strong Fund” will provide \$300 per eligible applicant. This applies to players in all levels and divisions. Applicant information will be held in strict confidence, and all documents containing confidential information will be destroyed once a decision is made. The PGHA reserves the right to limit applications based on numbers of applicants in a given year.

Eligibility

- Each grant will be at the discretion of the “Ice Kats Skate Strong” Committee
- Only one application can be made per season
- Funding is available for different members of the same family during the same season
- Member must be in good standing with the PGHA – funds cannot be used for arrears

All applications will be reviewed, and applicants will be contacted to confirm if their request has been approved. In order to maintain strict confidentiality, only the president and treasurer will be aware of the applicant.
