

Welcome to the PGHA Tryout Information Page

Please read the information below carefully to ensure that you have the right dates and times for tryouts.

As of September 7th, all arenas in the City of Peterborough are limited to 30 participants on the ice (including instructors), the format of tryouts this year is slightly different than what normally would take place. When participants registered for tryouts, they were asked what level(s) they plan to tryout for. This information was used to build tryout groups for each age division and level.

All those that selected AA on their tryout registration will receive an email with their designated groups (A or B) for the first night of tryouts. These groupings will be used for the 1st night of tryouts where we have more than the 30 participants trying out for a particular level. The groupings may also apply to 2nd and 3rd tryouts, but you will receive these details from the coach in an email to follow your first night of tryouts.

Please find the level below that you **REGISTERED** to try out for and click on the link for schedule and any other pertinent information.

Tryouts will begin with AA and progress accordingly, all groupings will be emailed directly for first skates. The schedule for all levels of tryouts is posted under the “**Tryout Information**” tab on the website https://pgha.net/Articles/14177/Tryout_Procedures_and_Schedule/
